# Welcome

Dear colleagues,

Welcome to the 20<sup>th</sup> International Annual Conference of the Vascular Society of Egypt (VSE), Held in collaboration with the 7<sup>th</sup> Annual Al-Azhar Vascular Surgery Conference (AVSC). We are honored & delighted to have you join us for this esteemed event.

This year's conference, themed "Evidence-Based Vascular Practice, will take place on 22-23 August, 2024 at Mövenpick Media City, Cairo. The organizing committee has meticulously curated a high-caliber scientific program, Featuring ten engaging sessions & six interactive workshops. Through panel discussions, lectures & workshops. We will explore the latest evidence-based practices & guidelines across the entire spectrum of vascular & endovascular surgery.

Our aim is to promote evidence-based best practices, ensuring exceptional patient care & outcomes. This conference will also provide an opportunity to refresh your vascular knowledge & stay up-to-date with the latest standards & governance of vascular practice.

We are thrilled to have a distinguished lineup of national & international faculty who will share their invaluable experiences & engage in stimulating discussions. We are confident that you will find the program both stimulating & relevant to your clinical practice.

In addition to the robust academic program, we have also planned an enjoyable social program for you to connect & enjoy the vibrant culture of Egypt.

We look forward to welcoming you to this unique gathering of vascular experts. Together we can lead the way towards evidence-based vascular practice & deliver the highest quality of care to our patients.

See you in Cairo, Best regards,

**The Organizing Committee
