welcome

5th Mansoura Glaucoma Conference

On behalf of the Ophthalmology Department at Mansoura University's Faculty of Medicine, we are delighted to extend a warm welcome to the **5th Mansoura Glaucoma Conference**, taking place on **February 20th** at the Mansoura Ophthalmic Center (MOC).

As a distinguished institution under Mansoura University, Egypt, MOC has earned global recognition for its leadership in ophthalmic education, research, and patient care, consistently advancing innovation in eye health. This year's conference, themed "**Exploring Future Prospects**", is designed to bridge the gap between foundational expertise and cutting-edge advancements in glaucoma management.

Highlights will include discussions on emerging technologies, novel therapeutic approaches, and evidence-based updates from recent literature, all aimed at empowering participants to elevate their practice. We are confident this conference will inspire meaningful dialogue, foster partnerships, and ignite fresh perspectives on overcoming challenges in glaucoma care.

Join us for a day of intellectual stimulation, innovation, and camaraderie as we collectively advance the frontiers of ophthalmology.
Let's shape the future of glaucoma management together!

Warm regards,
